Praa Sands is situated approximately midway between the towns of Helston and Penzance. It is famous for its long sandy beach which is a favourite of both tourists and locals alike. The amenities in the village include a public house with restaurant as well as a beachside cafe and bar. There is a well regarded primary school at Germoe, a short distance from the property. The nearby market towns of Helston and Penzance provide more comprehensive amenities including national stores, restaurants and leisure centres with indoor swimming pools along with secondary schools and colleges. Penzance also benefits from mainline rail links to London Paddington and beyond from its train station.

The first floor provides for four double bedrooms with a family bathroom and master en-suite.

AGENTS NOTE

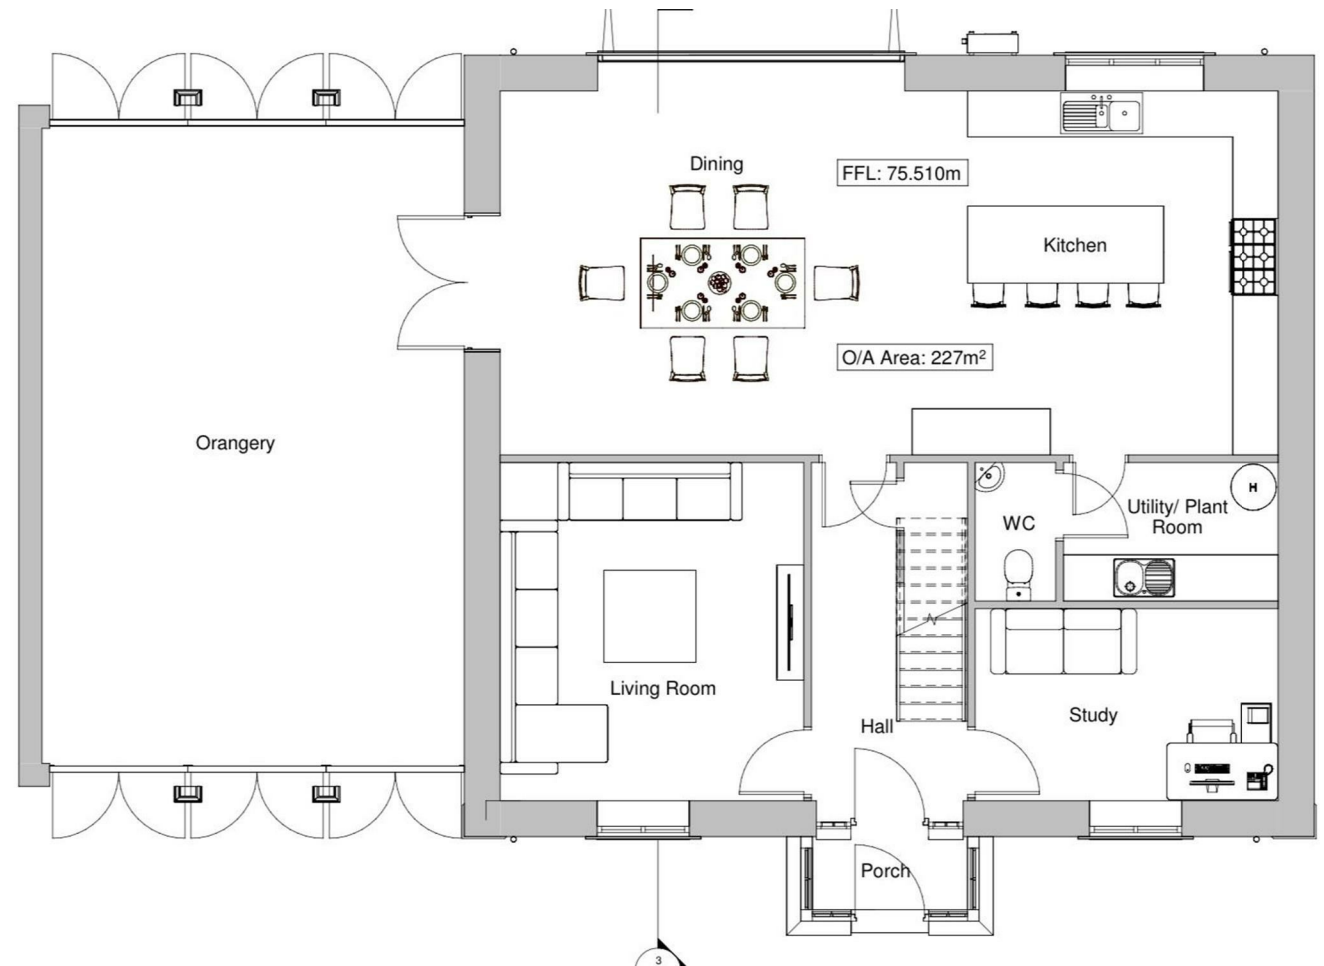

Please note the plan on our marketing differs slightly from the plan on the online planning register. The plan on our marketing correctly denotes the area of land for sale that will be conveyed. We understand from the planning consultant that the purchaser can continue to build the property as per the plans but if they wished to construct a garage this would need to be re-sited and a variation of condition would need to be applied for with Cornwall County Council Planning Department.
