A spacious and characterful home formed from part of a beautiful Grade II listed chapel, set on the outskirts of the highly sought after village of Stithians.

This is a lovely home with a real sense of character, offering generous rooms, high ceilings and two beautiful original stained glass windows. The former chapel has been thoughtfully converted into a small number of individual homes, with this property offering spacious accommodation arranged over two floors.

The ground floor has a particularly impressive kitchen and dining room, with French doors opening onto the secluded walled garden. There is also a large lounge and a useful cloakroom.

Upstairs are three good sized double bedrooms, including a lovely master bedroom with en-suite shower room, along with a family bathroom and plenty of useful storage.

Outside, the property has a gorgeous private walled garden, which is a wonderfully secluded space and a real highlight. There are also two allocated off-road parking spaces.

Stithians is a hugely sought after and well served village, with a good range of amenities and a central location that makes it particularly convenient for reaching Falmouth, Truro and Redruth, as well as providing easy access to the A30.

A spacious and characterful home in a fantastic village location, with plenty of original charm and a beautiful private garden.

The property is positioned a short walk from the popular and thriving village of Stithians, where there is a village pub, a general store, and a primary school. A focal point in the village is the St Stythian Church, which is of late medieval structure. There is a choir, a bell ringing group, and a brass band. The village also benefits from a doctors surgery with dispensary.

The village has a community playing field with a well equipped playground for children, tennis courts, and close by a lawn bowls club, a cricket club, and a football club.

There is a community centre with a monthly craft market and a monthly lunch club.

There is free parking and "The Wellness Hub" offering beauty treatments, holistic therapies, and mindfulness sessions.

Stithians Lake is a mile or so from the property, which provides a good range of water sports . There is a cafe with wonderful rural views over the lake, and there is a public house serving food and refreshment again with views over the water. There are scenic country side walks easily accessible from the property.
