Genuinely tucked away and yet just moments from the vibrant heart and amenities of Helston is this appealing and beautifully presented two bedroom cottage with allocated parking and gardens to the front and side.

Located within a Conservation Area that preserves the historic quarter of Helston, the property is delightfully and conveniently positioned for all that the town has to offer.

The handsome local stonework hints at a timeless period charm, whilst inside, this modern cottage offers the ease, quality, and comfort of contemporary living throughout.

The light filled sitting room opens, through French doors, into a private courtyard style garden, creating a seamless flow between inside and out.

Inside, the home continues to impress with a beautifully appointed contemporary kitchen featuring polished stone worktops, crisp 'metro style tiling' and a useful range of built in appliances.

Upstairs there is a generously sized family bathroom with a lovely fitted suite and two double bedrooms, one of which has fabulous bespoke wardrobing.

Outside a raised patio garden enjoys a sunny outlook with charming views towards the parish church. Perfect for sitting out, relaxing and enjoying a late afternoon or evening tipple.

Practicality is equally well considered, with two allocated parking spaces being a real bonus in a part of town where parking is seldom available.

A deceptively spacious, beautifully presented, quality modern property that should be viewed to fully appreciate and which we unreservedly recommend to potential purchasers.

The accommodation in brief comprises an entrance hall, cloakroom, kitchen / dining area, lounge, family bathroom, and two bedrooms. The property benefits from gas fired central heating and double glazing. Outside there are two allocated parking spaces, a raised patio garden to the front and an enclosed courtyard style garden to the side.
