Tucked away in a private rural setting, it combines a generous and highly versatile four bedroom house with a detached annexe, beautifully secluded gardens and a range of useful outbuildings.

The accommodation is perfectly suited to modern family life, with a gorgeous farmhouse-style kitchen at its heart, multiple reception rooms, plenty of space for home working and a layout that could comfortably accommodate teenagers, extended family or guests. The detached annexe adds even greater flexibility, with excellent potential for multi-generational living, independent accommodation or an income opportunity subject to any necessary planning and consents

Outside, the private grounds provide a wonderful escape, with a large lawn, mature planting, generous patio and a variety of peaceful seating areas. All this, while being conveniently placed for enjoying the surrounding countryside and coast and accessing the facilities on offer in nearby major towns such as Helston and Penzance.

From the moment you step inside, there is an immediate sense of warmth and tranquillity. The farmhouse-style kitchen is a wonderfully sociable space, with plenty of room for a large dining table and relaxed family gatherings, while the adjoining snug provides useful additional space that could equally work as a playroom or informal family room. There are two further reception rooms, including a cosy sitting room with a log burner and a generous family room, providing plenty of flexibility for different family arrangements and lifestyles.

Upstairs, the four double bedrooms are thoughtfully arranged to provide a good degree of independence, with the master bedroom benefiting from an en-suite and the remaining bedrooms and family bathroom offering a layout that could work particularly well for families with teenagers, independent adults or regular guests.

The detached annexe is a fantastic addition, providing open-plan living with a kitchen area, shower room and a lovely conservatory enjoying rural views, together with a useful mezzanine level. Whether used for multi-generational living, visiting family, working from home or potentially generating an income, it adds another layer of versatility to this already exceptional property.

The gardens are equally impressive, offering a wonderful degree of privacy with a large lawn, mature planting and plenty of scope for keen gardeners. A generous patio creates the perfect setting for alfresco dining, while additional sheltered seating areas provide peaceful spots to enjoy the surrounding garden. A range of useful outbuildings completes the picture.

This is a home that offers the best of both worlds, a peaceful and private rural lifestyle with the countryside and coast on the doorstep, yet excellent access to the facilities and amenities of nearby towns.
